

M. LUTHFI PRATAMA

SOFTWARE DEVELOPMENT | PROJECT MANAGER | WEB3 ENTHUSIAST

Jakarta Pusat, Kemayoran | luthfipratama1012@gmail.com | [Linkedin M. Luthfi Pratama~](#) | 085894813587

SUMMARY

Active Information Systems student at Universitas Bina Sarana Informatika with a 3.78 GPA, experienced in leading a team as Project Manager to successfully complete an IT bootcamp project through to final presentation. Active as a board member of the Information Systems Student Association. Strongly interested in Web3, continuously expanding technical competencies through bootcamps and software development training. Accustomed to integrating AI tools into daily workflows to improve efficiency and output quality.

EXPERIENCE

Speaker — Laravel Basic Bootcamp SMK Muhammadiyah 15

South Jakarta — August 2025

- Served as a speaker for the Laravel Basic Bootcamp, presenting fundamental Laravel framework concepts to 10 participants.
- Guided hands-on practice and code troubleshooting sessions until participants successfully implemented a simple CRUD feature.
- Helped participants understand the fundamentals of web application development with Laravel, from project structure to feature implementation.

Board Member (Daily Management) — Information Systems Student Association (HIMSI) Universitas Bina Sarana Informatika

Central Jakarta — Nov 2023
– August 2025

- Actively carried out organizational programs as part of the association's daily management board.
- Completed the HIMSI Leadership Training and applied the training outcomes to mentor new members and maintain team cohesion.
- Developed communication and cross-division coordination skills through various campus organizational activities.

PROJECTS

IT Software Development For Industry Universitas Bina Sarana Informatika · Asyana Hotel

Sentul, Bogor — June 2025

- Led a team of bootcamp in designing and completing an industry-focused software development project, covering a 2.5-hour workshop, 7 hours of project work, and a 3-hour presentation session.
- Organized task distribution and team timeline to ensure the project was completed on time and presentation-ready.
- Coordinated communication among team members to ensure all project components were well integrated.
